## Ear Wax Removal System - High Efficacy, High Safety Profile, User Friendly, Preservative Free.

**CleanEars** is an easy to use, gentle ear cleansing solution, suitable for use by the whole family. It is an effective and clinically proven method to remove ear wax and is a safe alternative to use of cotton buds.

**CleanEars** helps prevent wax build-up and keeps ears clean and clear.

**CleanEars** is made from a unique extraction of natural olive oil.

With regular use, **CleanEars** gives the ears a new feeling of cleanliness. CleanEars is preservative-free.

Unlike other ear drops, **CleanEars** contains no aggressive solvents and no chemicals that aggravate already inflamed or irritated skin in the ear.

**CleanEars** was clinically evaluated and in comparison trials was found to be superior by far to any available cerumenolytic preparations.

**CleanEars** is a CE Marked Class I Medical Device.

Available in 15 mL & 30 mL spray bottle.
