

Anti Diarrhea - Rehydration Balancing Solutions

ElectroRice™
Strawberry Flavor

Oral Rehydration Solution (ORS)

Safe, Effective & Natural Electrolyte Supplement Rice-Based Oral Rehydration Solution (ORS). Intended for Prevention of Dehydration in states of diarrhea and vomiting.

Complies with WHO requirements.

ElectroRice ensures maximum absorption of fluids and optimal rehydration to return fluids and minerals lost during diarrhea and vomiting. It's Strawberry flavored, taste likelihood by babies and children, increases compliance of the preparation

ElectroRice is based on low osmolarity rice starch that enhances the absorption of sodium, glucose and water.

Available in convenient single dose sachets to be mixed with 200 mL of water, 5 sachets per carton box.

ElectroRice™ +
Probiotic

ORS solution, rice-based supplement with a probiotic blend.

Prevention of dehydration and a natural balancer of the digestive system.

The Double Coating Technique of the probiotic blend of bacteria, ensures the viability of the probiotic bacteria (which are living organisms) in the stomach.

ElectroRice + Probiotic is user friendly. Just mix a cup of water or baby feeding bottle (200 mL) and it is ready to drink.

Fast, and convenient. **ElectroRice + Probiotic** combines optimal amounts and varieties of probiotic bacteria, ensuring maximum efficiency of the formula to correct body electrolyte balance, bacterial flora and maintain overall health.

ElectroRice + Probiotic does not require refrigeration.

Available in convenient single dose sachets to be mixed with 200 mL of water. 5 sachets per carton box.
